- Come With Me -

Give me the self-esteem
To fight against the wind
The will is stronger than the things
I have to kill in my head

Under the stroke in my soul,
You'd see the love again
Still feeding on the fake
I gently burry my hope
Being brainless

My dear you know
There's a time for everything
And now it's time so

Come on and scream along with me
Come on and scream along with me
Come on and scream along with me
Come on and scream along with me

Me
