Date de sortie : Février 2022

Titre : 02. Dreams

Take me in your dreams
Take me from the side of your road

Take me in your dreams
Take me from the side of your

Won't you let me in, inside your bed inside your fear
Let me hold you tight, when i can hold you in my arms
In the moonlight, yeah dancing in the moonlight

Come on baby won't you stay with me, just a little more, off time,
Cause i can hardly make you mine
You know that i can
Oh you know that i can
Oh you know that i can do more

Take me in your dreams
Take me from the side of your road

Take me in your dreams
Take me from the side of your

Take me in your dreams, Take me
Take me in your dreams, Take me
Take me in your dreams, Take me in your dreams

Take me in your dreams, Take me from the side of your road

Take me in your dreams

From the side of your road
