

EP : Music is my Medicine

Date de sortie : Octobre 2020

Titre : 02. Obsession

Feel me closer,
Holding your hand and
Touching your shoulders
I wanna cry

Place my hand against your skin
Place my hand against your skin

Aaaah Ooooh Ooooh Ooooh

"Never Touch Me Again"

Feel me closer,
Holding your hand and
Touching your shoulders
I wanna cry

"What are you doing now"
"Tell me how are you doing"
"Tell me what's going on"
"I... I'm just trying to know because
you're important to me"
"I want to know..."

It's not madness...

It's not madness...

It's Obsession.....
