- On My Shoulder -

Tears on your cheek  
Feels like the other day wasn't better than prior

Lovin' crazy  
Emotions at this rate makes it uncomfortable

We are lending  
A place beyond the stars where the magic is broken

You can feel this  
A friendship in disguise, Power Imagination

Get me on my way  
Where I'm stronger and I'm feeling like a God  
Where the time can fly I truly don't care  
Where I'm hoping I can make it better

Close the eyes, hold me tight  
No more byes, now it's right  
Place your head  
On My Shoulder

Oh but I guess, I think we should, or may I go  
Oh but I guess, I think we should, or may I go

Get me on my way  
Where I'm stronger and I'm feeling like a God  
Where the time can fly I truly don't care  
Where I'm hoping I can make it better

Close the eyes, hold me tight  
No more byes, now it's right  
Place your head  
On My Shoulder

(On My)  
On My Shoulder

(On My)  
On My Shoulder

(On My)  
Close the eyes, hold me tight  
No more byes, now it's right  
Place your head  
On My Shoulder
