

EP : Mes Orphelines 2020-2021

Date de sortie : Février 2022

Titre : 03. Reality

You down there are wasting your time  
Searching for a truth you can't find  
Try to hold on to the things that are real  
They call this reality

You  
You are  
Out there  
Searching for more  
Won't you please  
Please set me free  
Free from the Lie
