- The Perfect Windmill -

Hold me and let me breathe out of the water  
I thought I'd be stronger but I am  
Am fragile like anyone else so

Heal me and tell me that everything's over  
The noises at night are less stronger  
The warmth of your body is like an invitation to

Stop the Dream  
The windmill is going to fast  
And there's no one around to be worrying about  
And as long as it's spinning the world think that everything's alright

Whisper sugar and candy in my ear  
And let your chin flat on my shoulder  
I'm feeling your heartbeats beyond my body

Eyes closed I'm trying to hold on the pressure  
Some might call it obviously pleasure  
My mind tries to focus on how well I am feeling too

Too  
Too  
Feeling too

Ooh  
Ooh  
Ooh

Feeling too

Ooh  
Ooh  
Ooh
