- Toxic Love -

Pray for,
Pray for,
For you and me

Seek for the truth that you're living with him
Seek for the truth that you'll read in your skin and heart
And in your blood

Seek for the truth that you'll read in your pain
Seek for the truth that you'll never be able to face
Unless you move away

Break the chains of love they start to fuse in your flesh
You are blinded, fooled in your mind
Predictive emotion generating false alarm of being none
It's dangerous please break these chains and

Seek for the truth that you're living with him
Seek for the truth that you'll read in your skin and heart
And in your blood

Seek for the truth that you'll read in your pain
Seek for the truth that you'll never be able to face
Unless you move away
